

THE ULTIMATE GUIDE

to Black Friday Shopping

Online Shopping Preparedness

- Make a list
- Add these items into sophisticated search engines (this is the part that is going to save you a HUGE headache)
- Don't spend impulsively
- Ignore sales flyers
- Use every opportunity to get cash back

Conquer the stores! (in-store shopping)

- As above, make a list.
- Check the list against sales flyers.
- Prepare a shopping list or spreadsheet.
- Be prepared to price match! Many stores offer price-matching.
- Prepare your heart and tummy.
